

My dear H

Many thanks, not -
withholding the entire of
concert!

I hope I may bring
the Raja to good covers
yet ad without injury
to him - My great
aim; and for which
I care so much - That
G.G. does not seem
disposed to meddle
with me in the least,
and as I know how to
bring Her Highness to

his senses, shall probably do
so, ^{now} without interception.

H, is a man in 18,000, a
more affectionate heart, after
the ~~Monday~~ ~~Monday~~ ~~Monday~~ about
he has had, is a jewel that
few can feel they possess
to the extent he does.
