

Arrivals.	Departures.
<p><u>Remarks.</u></p> <p>The mound of the Bush Turkey was dug out and eight eggs were found. The eggs were evidently fertile but failed to hatch, as with such a hot summer the cock bird was unable to keep the mound at the right temperature.</p> <p>R. Proctor has taken up duty with A. E. Cole.</p>	

Animals unwell:	Charley calf - sore eye.
Animals served:	
Special Works:	None - Sunday
