

June 29. 1858.

Dear Sir,

The inclosed letter was written some days ago, and was accidentally put away with yours of the 15<sup>th</sup> instead of being posted.

If you approve of what we propose to do, I will remove the Boxes from the clearing

Agent, hands as soon as I receive your authority to do so.

We have two fine lambs of *Ovis Vignei* born from the sheep sent home by Genl. Hearsey.

I intend to give a drawing of them in the "Zoological Sketches" which I inclose a Prospectus. If you dispose to add your name to my list, I shall be delighted

& have it.

I am dear Sir,

Yours very faithfully  
D. W. Mitchell
